

Mosaic Minds is an emerging private school serving children ages 4–13 in a small, collaborative learning environment. We are seeking **five passionate teachers** to join our founding team for the 2026–2027 school year with a planned start date of July 20, 2026, on a 43-week year-round, 4-days per week schedule.

Position Overview

- Teach in small classes of **up to 10 students**
- **4 days per week** (Monday, Tuesday, Thursday, Friday)
- **5 hours of instruction per day**
- **6 hours of paid time per day** (includes planning)
- **24 paid hours per week**
- **\$30 per hour**

Grade Levels

Mixed-age groupings within ages **4–13**, placed by developmental readiness and learning profile.

Educational Approach

- Collaborative, team-based curriculum development
- Blends elements of classical, project-based, and student-centered learning
- Emphasis on whole-child development, critical thinking, and creativity

Responsibilities

- Plan and deliver engaging instruction in core subjects
- Collaborate with other teachers on curriculum and student support
- Maintain positive classroom culture and routines
- Communicate regularly with families
- Participate in team planning and professional growth

Qualifications

- Bachelor's degree required (Education)
- Teaching experience preferred (private, public, homeschool, or microschool)
- Passion for child-centered education
- Strong communication and organizational skills
- Background check required

Why Join Mosaic Minds?

- Small class sizes
- Supportive, collaborative environment
- Work-life balance with a 4-day week
- Opportunity to help shape a growing school from the ground up
-
- 401k with match after the first year
